## Emergency Phone Numbers

Emergency Fire or Police	911
Palmetto Poison Control	800-922-1117

## **Beaufort County Emergency Dispatcher**

**Save this # in your cell phone- 843-470-3059**

If you ever find yourself stranded on Hwy 278 or Hwy 170, call the Beaufort County Emergency Dispatcher at 470-3059. From flat tires to empty gas tanks to medical emergencies, the drivers are there to help stranded motorists free of charge. The team's 2 trucks are on the road between 6 a.m. and 6 p.m. five days a week. *The team does not provide towing.*

## **On the Web**

You can use the Internet to see the traffic conditions on US Hwy 278 and SC Hwy 170 before leaving home or work. Go to

[http://oldweb.bcgov.net/emerg\\_mgt/traffic\\_camera\\_map/traffic\\_cameras.php](http://oldweb.bcgov.net/emerg_mgt/traffic_camera_map/traffic_cameras.php)

And click within the box for the area you want to see.

## **HEARTHSTONE LAKES**

### **IMPORTANT THINGS YOU SHOULD KNOW**

- Do not keep the garden hose attached to any outside faucet when the projected temperatures are below 32 degrees
- **WARNING:** When installing a storm door in front of an existing door the following may occur: warping of the door, paint peeling on door, window inserts warping
- Please read all manufacturer and sub-contractor warranties thoroughly
- When landscaping around your home, make sure that the ground or mulch is below the first row of siding. If not, this could result in water and/or bug infiltration. (Water entering the slab due to this circumstance will not be covered under warranty)
- When placing landscaping, swing sets or gardens on your lot, please keep in mind that swales have been designed to carry the water around and away from your home. Altering or blocking these swales could result in flooding on the lot and will not be covered under warranty.
- If your lot has designated wetlands they **CAN NOT** be disturbed!
- Please contact the POA Architectural Review Board and the local governing body for assistance regarding current regulations or necessary permits for any improvements to your new property.
- **RESPECT THE WILDLIFE AND DO NOT FEED THE WILDLIFE!** Alligators tend to inhabit the ponds. For your safety please keep your children and pets away from the water's edge.
